Personal data

Personal data are data that provide information about you that directly or indirectly identify you.

Processing personal data

By processing personal data we mean the collection, recording, organizing, storage, adaptation or alteration, retrieval, consultation, use, disclosure by forwarding, dissemination or otherwise making available, combining, blocking, erasure or destruction of your personal data.

Purposes

We process your personal data for the following purposes: for general or targeted offers, for the ordering process, for your account on our website, so that we can contact you, so that we can deliver our products or services, so that we can inform you of changes to our services or products, to draw up quotations and agreements, to post reviews and to send

newsletters if you gave permission. We only process personal data that are necessary for these purposes.

We also process your personal information to fulfil legal obligations, improve our services, to investigate complaints and to prevent fraud. We never sell your personal information to third parties. In order to take care of your personal data, we conclude a processing agreement with companies if those companies process your data in our assignment.

Personal data that we process

In order to carry out the purposes, we process the following personal data:

- Address
- Age
- Bank account number
- Birthplace
- Civil service number
- Date of birth
- E-mail address
- Education
- Financial data
- First and last name
- Function
- Gender
- IP address
- Personal data on visual material
- Phone number

You also have rights

Wish to know which personal data we processed? Send an email to the email address mentioned in this document with a request for access to your data. You will receive a response to the request within four weeks.

[You also have various rights.](#) Are your personal data incorrect, incomplete, irrelevant for the purposes for which they are processed or otherwise in breach of the General Data Protection Regulation (GDPR) or other legislation? Then you have the right to correction of your personal data. Correction means correction, addition, deletion or blocking of your

personal data. You also have the right to object to the processing of your personal data, the right to have less data processed, the right to withdraw permission you have given and the right to data portability. Send your request to the email address mentioned before. You will receive a response to the request within four weeks. We would also like to point out the possibility of submitting a complaint to the Dutch Data Protection Authority.

Safety

Personal data are personal and should remain personal. We find it just as important as you that your personal data do not go public or are processed unlawfully. We therefore apply all possible technical and organizational measures to safely handle your personal data. To secure your personal data we use a secure internet connection, backups, limited access to personal data, promoting security awareness, passwords for electronic systems and security software such as a virus scanner and firewall.

Storage personal data

We do not store your personal data longer than is strictly necessary for carrying out the purposes. If there are legal requirements applicable to the storage, the personal data are no longer stored than required by law.

Cookies

We also use cookies. For more information about our cookies, please check the [cookie statement](#).
